

ENJOY MENTORING?

Are you interested in helping first-year and transfer students succeed in the sciences?

THIS LEADERSHIP OPPORTUNITY IS FOR YOU!!!

The Office of Undergraduate Education is seeking undergraduate students in STEM (Science, Technology, Engineering and Math) majors to serve as peer mentors for incoming first-year students. There are three types of mentoring opportunities with varied compensation packages. All Rutgers University students are encouraged to apply.

3 Opportunities

Summer Residential Peer Mentor

- 6 weeks: June 21-July 31, 2009
- Plan programs and mentor students
- Act as a liaison between students and learning community coordinators
- Free Housing and Meals
- Generous Stipend

Information Sessions:

Monday 2/16 • 7pm • RSC Room 411C
Friday 2/20 • 4pm • CCC Merle V. Adams Room
Tuesday 2/24 • 6pm • BCC Room 117

Non-Residential Peer Mentor

- Mentor four first-year students for the 2009-2010 school year
- No campus/housing requirement
- Develop leadership skills while doing satisfying mentoring
- Earn money while helping first-year students succeed in their field of interest

Information Sessions:

Monday 2/16 • 8pm • RSC Room 411C
Friday 2/20 • 5pm • CCC Merle V. Adams Room
Tuesday 2/24 • 7pm • BCC Room 117

Residential Peer Mentor (year round) Busch Campus or Cook Campus

- Live in the same hall as your students
- Mentor first-year and transfer students while developing relationships with faculty
- No Lottery – Guaranteed Housing!
- Choose your own roommates
- Paid for both semesters!

Information Sessions:

Monday 2/16 • 7:30pm • RSC Room 411C
Friday 2/20 • 4:30pm • CCC Merle V. Adams Room
Tuesday 2/24 • 6:30pm • BCC Room 117
